My Silly Hat

Tune: This Old Man

On my head I wear my hat.
It is such a silly hat that my head
will wiggle waggle to and fro
Where else can my silly hat go?
(foot, elbow, knee...)

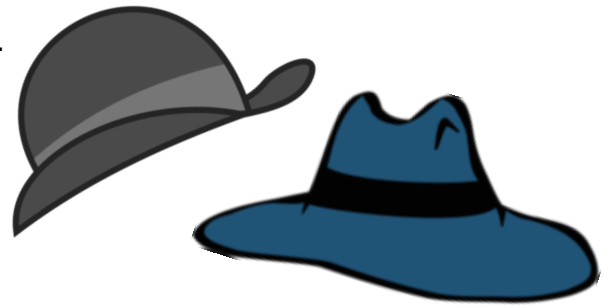

On my hands I wear my hat.
It is such a quiet hat that my
hands don't wiggle they just go clap.
Then I fold them in my lap.

Hats on Everyone

Hats on police officers starchy
and blue (salute)
Hats on fire fighters shiny and
new (spray with hose)
Hat on marchers in a band
(drum)
Hat on astronauts when they
land (float)
Hats on farmers made of
straw (shovel hay)
Hats on artists when they
draw (paint)
Hats on kids out in the sun
(shade eyes)
Hat on almost everyone! (hold
hands out to side)

Hats

A cowboy wears a cowboy hat
As he gallops on his horse.
A firefighter's hat keeps him safe
As he puts out fires of course.
A clown wears a pointy hat
And a smile upon his face
And astronauts wear helmets,
When blasting into space.

Magic Hat

Tune: The Farmer in the Dell

Put on your magic hat.
Put on your magic hat.
Oh, you can do most anything
In your magic hat!

You can hop and hop...
You can make a face...
you can wiggle waggle...
You can flap and flap...

You can sit right down.
You can sit right down.
Oh, you can do most anything
In your magic hat!
